

Joseph Newman

I am a dedicated and adaptable developer with a background in UI/UX and graphic design. I am proficient in creating responsive and dynamic websites and applications, ensuring they are both functional and visually appealing. Constantly learning and staying updated with the latest development technologies and trends, I thrive in collaborative environments and am committed to delivering high-quality, innovative solutions.

EXPERIENCE

Idea Peddler • Multimedia Designer

January 2023 – October 2023

As a Multimedia Designer at Ideapeddler, a creative agency, I crafted captivating digital experiences, collaborating with clients and teams. My expertise in graphic design, animation, and interactive media brought client visions to life, exceeding expectations and enhancing brand visibility.
